

AMDA is a fully accredited, not-for-profit higher education institution devoted to training the actor, singer, and dancer for stage, film, and television.

There are two campuses of AMDA providing seven distinct degree and certificate paths: The AMDA College and Conservatory of the Performing Arts, Los Angeles, and The American Musical and Dramatic Academy, New York.

The California campus in the heart of Hollywood offers four-year Bachelor of Fine Arts and two-year certificate programs. The New York campus in Manhattan offers certificate programs - and the opportunity to complete a bachelor's degree by attending both the New York and Los Angeles campuses.

Founded in 1925, Gannon University offers an integrative, educational experience that cultivates the intellect, ensures global awareness and appreciation, develops compassion for the human condition, and embraces students from all faith and cultural traditions.

***Academic Programs:** Three colleges and six schools offer associate, bachelors, masters and doctoral degrees in over 100 programs and disciplines. Academic programs include engineering, computer science, the sciences, the health sciences, forensics, criminal justice, and business management, among others.

***Global Diversity:** 20% of Gannon's students come from around the world – including Cyprus!

***International Support:** The Office of Global Support and Student Engagement provides ongoing services from airport transfers for new students to advisement on immigration, cultural adjustment, and opportunities, both educational and recreational. These services complement the academic advisement and support that is offered in each academic department.

***Special Services:** Leadership Development, Service Learning, Athletic Pavilion including a fitness center, swimming pool, and saunas, Career Services, over 70 clubs and organizations, intramural athletics, Honors Program, study abroad, academic support and tutoring, and internships.

Affordability: Gannon offers special financial assistance to all qualified Cypriots!

HARVARD COLLEGE

Harvard College:

Harvard College is the coeducational undergraduate program of Harvard University. Its private, four-year liberal arts program offers 3,500 courses in 49 fields of specialization leading to the Bachelor's degree. Located on 216 acres in Cambridge, Massachusetts, Harvard College enrolls 6,600 undergraduates, coming from all 50 states and more than 80 countries, from every ethnic and religious background and from across the economic spectrum. Admission is based on achievement and promise without regard to financial need. Nearly 60% of undergraduates receive our need-based financial aid, which is available to non-citizens and citizens on exactly the same basis. University of Indianapolis:

The University of Indianapolis is a fully accredited, mid-size, private university founded in 1902 and regionally ranked in the top 25%. We offer 100 Bachelor degree majors including engineering, IT, business, sciences and health sciences. Our average class size is 17, so students are able to form connections with faculty which result in long-term career benefits. Classes incorporate a case-based approach through which students work on real problems faced by professionals. We offer 60+ career-preparation programs each year which give students opportunities to interact with leaders in their fields as well as develop professional soft skills. Most students participate in some type of internship. Our international students have interned at organizations such as Google, Morgan Stanley Smith Barney, Disney World, IU Neuroscience Center, Indy Eleven (professional soccer), Sagamore InsBtute (think tank), the mayor's office and CiBbank, and we have international alumni working at companies such as Microsoft, Oracle, Samsung, Deutsche Bank, Goodyear, AT&T (telecommunications), Cummins (manufacturing), and the Morad Yousuf Behbehani Group (luxury goods retail). Our 400 international students from 50 nations (including 7 students from Cyprus) benefit from academic scholarships up to \$15000/year. Indianapolis is located in the Midwestern US within a few hours' drive of Chicago and St. Louis.

"Lane is a dynamic community college recognized nationally and internationally for excellence. Lane is a member of the prestigious League for Innovation that represents 19 of the most innovative American Community Colleges

Each term, Lane welcomes more than 400 international students from 40 countries to our International English program, 2+2 transfer programs, and nationally accredited technical programs. International students enjoy studying together with over 10,000 domestic students in small classes taught by nationally-recognized faculty. After completing their classes at Lane, students transfer to top universities around the USA.

International Programs at Lane offer comprehensive international student support services including: scholarships, free airport pick up, orientation, academic advising, transfer planning, assistance with understanding immigration regulations, and trips to local events and sightseeing excursions. Additionally, Lane offers fully furnished apartments for students at [Titan Court](#)."

University of Colorado Boulder

Located at the foot of the Rocky Mountains, the city of Boulder is a leading force in research, technology and entrepreneurship. At the heart of the city, the University of Colorado Boulder produces some of the best and brightest in these industries and our talented faculty, students and alumni are leading the way by inspiring innovative, humanitarian and social enterprises. Home to more than 3,000 international students over 100 countries, CU Boulder is one of only 34 U.S. public research universities belonging to the prestigious Association of American Universities. Within our eight colleges, schools and programs, are 3,800+ academic courses across 150 fields of study, enabling students to create a unique academic experience. Infused with our academic departments, classes and interdisciplinary programs is the research in our 11 research institutes and nearly 90 research centers.”

جامعة نيويورك أبوظبي

NYU | ABU DHABI

NYU Abu Dhabi consists of a highly selective liberal arts and science college (including engineering), and a world center for advanced research and scholarship — all fully integrated with each other and connected to NYU in New York. Together, NYU's campuses in New York, Abu Dhabi, and Shanghai form the backbone of a unique global network university, with faculty and students from each campus spending "semesters away" at one or more of the numerous study-abroad sites NYU maintains on six continents.

“St. Lawrence University, a nationally recognized leader in the liberal arts, is where learning is interactive and personal. Classrooms, laboratories, and studios are vibrant spaces where professors and staff challenge and support students every day. Through our international and interdisciplinary curriculum, as well as abundance of academic resources, St. Lawrence University prepares students for their future: one where they will change careers multiple times and compete for jobs that do not yet exist.”
