

GMAT

Graduate Management Admission Test

The GMAT exam is a standardized, computer-based exam that helps business schools assess the qualifications of applicants for advanced study in business and management. The exam measures basic verbal, mathematical and analytical writing skills developed over a long period of time, and is often required for those applying to business and management programs in the United States. For more information about the test, test availability and registration visit the GMAT website: www.mba.com.

The table below explains the GMAT test:

Analytical Writing Assessment	30 minutes
Integrated Reasoning	30 minutes
Quantitative	75 minutes
Verbal	75 minutes
Total Exam Time	3 hours, 30
